## RAF SİSTEMLERİ

Bölgen köklü raf üreticilerinden biri olan METRAF 1996 yılında Gaziantep'te kurulmuş ve kısa sürede sektörün önde gelen raf üreticilerinin arasında yerini almıştır. Firmamız, 20 yılı aşkın tecrübesini siz değerli müşterileriyle paylaşmak ve birlikte başarılı çalışmalara imza atmak amacıyla yoluna emin adımlarla ilk günkü heyecan ve coşkuyla devam etmektedir.

2.500 m<sup>2</sup>'lik kapalı alanda kurulu fabrikası, uzman ve eğitilmiş kadrosuyla üretimin %40'ını ihraç ederek, Dünya pazarında kalite ve hizmetin keşiştiği firma olarak anılan METRAF, Gaziantep'te yapılan fabrikasında üretime devam etmektedir. Firmamız Gaziantep Merkez showroomu ile satış ve pazarlama hizmetini sürdürmektedir.

Kuruluşundan bu yana alanındaki tüm yenilik ve gelişmeleri yakından takip eden ve ürünlerine yansıtan MET-RAF market raf imalatı, depolama sistemleri üretimi ve satışı faaliyetlerinde bulunmaktadır.

MET-RAF'ın çalışma prensibi karşılıklı güven ve müşteri memnuniyeti üzerine kurulmuştur. Prensipleri doğrultusunda en iyi çözümü en uygun fiyata sunarak mekanlardan maksimum verim alınmasını sağlayan MET-RAF, ihtiyaçlarına getirdiği özel uygulamalar sayesinde müşterilerinin uzun yıllar boyu çalıştığı, güvenilir bir iş ortağıdır.

One of the well-established manufacturer of shelf METRAF founded in 1996 in Gaziantep and has taken its place among the leading rack manufacturers in the sector as soon as possible. Our company has over 20 years of experience on the first day you surely the way in order to share information with customers and signing the successful collaboration that continues the excitement and enthusiasm.

2.500 m<sup>2</sup> closed area of factory, with production specialists and trained by exporting 40% of the world market in quality and service at the intersection of firms known as METRAF, Gaziantep in restructuring the factory continues production. Our company continues to Gaziantep Central showroom sales and marketing services.

Since its inception closely following all the innovations and developments in the field since then and reflects the product MET-RAF manufacturing supermarket shelves, storage systems, production and sale of their activities.

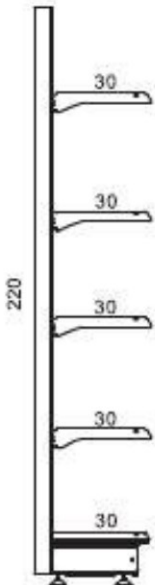

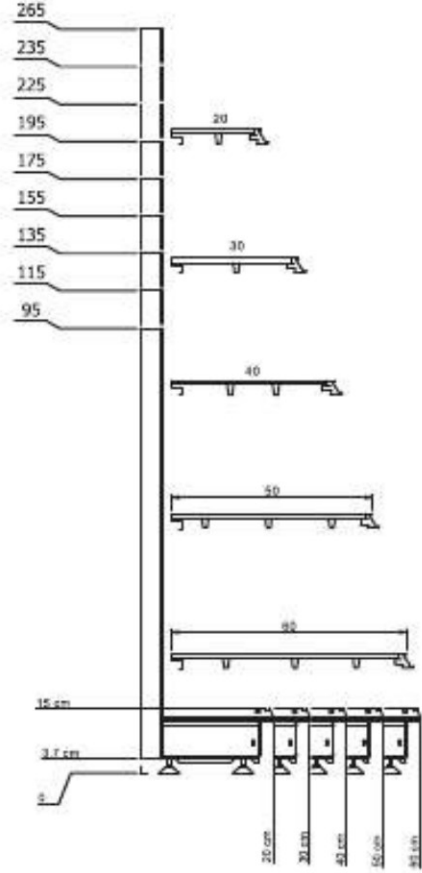

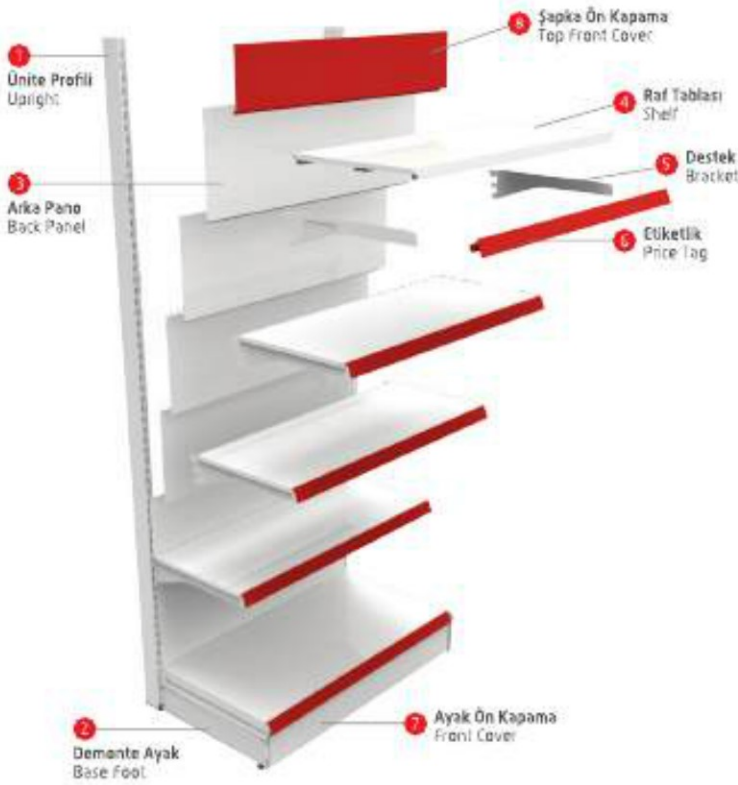

MET-RAF operating principle is based on mutual trust and customer satisfaction. In line with the principles of offering the best solutions at reasonable prices to sites that provide assurance of maximum efficiency MET-RAF, thanks to special applications that bring the needs of customers for many years worked in height, it is a reliable business partner.
